Have leaves raked to the parkway before 7:00 am on the Monday of your collection week

Key points regarding collection:

- *Please do not rake leaves into the street!* Leaves can wash onto the storm grates and into the underground pipes where they increase the likelihood of flooding during rain event.
- The Department cannot guarantee the collection of *every* leaf—timing of leaf drop, parked cars, and weather all affect the collection process.
- Consider mulching leaves into your lawn or bagging them in brown, compostable paper bags, which can be placed at the curb for collection.

For more information, or to schedule the pickup of BAGGED leaves, please contact the Department of Public Works at pwdept@woodstockil.gov or at (815) 338-6118.
